MARION COUNTY, MS
WASTEWATER SYSTEM IMPROVEMENTS – 2021
NEW GRAVITY MAIN, LIFT STATION, & IN-PLACE REHABILITATION

General Notice

City of Columbia, MS (Owner) is requesting Bids for the construction of the following Project:

Wastewater System Improvements – 2021
New Gravity Main, Lift Station, & In-Place Rehabilitation
Project #: 1063c078

Bids for the construction of the Project will be received at the Columbia City Hall located at 201 Second Street, Columbia, MS 39429, until May 3, 2022 at 1:00 pm, local time. At that time the Bids received will be publicly opened and read.

The Project includes the following Work:

Demolition, new 30" and 36" gravity main installation, new triplex lift station, videoing, cleaning, & reporting of gravity sewer mains, cured-in-place lining of gravity sewer mains and manholes, point repairs, manhole adjustments, and electrical/control improvements.

Owner anticipates that the Project's total Base Bid price will be approximately \$2,500,000. The Project has an expected duration of 270 days.

Obtaining the Bidding Documents

Information and Bidding Documents for the Project can be found at the following designated website:

www.dunganeng.com/bids/

Bidding Documents may be downloaded from the designated website. Prospective Bidders are urged to register with the designated website as a plan holder, even if Bidding Documents are obtained from a plan room or source other than the designated website in either electronic or paper format. The designated website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated website.

The Issuing Office for the Bidding Documents is:

Dungan Engineering, P.A.
1574 Highway 98 E
Columbia, MS 39429
601-731-2600

Prospective Bidders may obtain or examine the Bidding Documents at the Issuing Office on Monday through Friday between the hours of 8:00 am to 5:00 pm and may obtain copies of the Bidding Documents from the Issuing Office as described below. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including addenda, if any, obtained from sources other than the Issuing Office.

Bidding Documents may be purchased from the Issuing Office during the hours indicated above. Cost does not include shipping charges. Upon Issuing Office's receipt of payment, printed Bidding Documents or electronic documents on compact disk will be sent via the prospective Bidder's delivery service. The shipping charge amount will depend on the shipping method chosen. Bidding Documents are available for purchase in the following formats:

Format	Cost
Bidding Documents (including Full-Size Drawings)	\$300.00
Bidding Documents (including Half-Size Drawings)	N/A
Compact Disc containing Bidding Documents in portable document format (PDF)	\$50.00
Electronic download of Bidding Documents from www.dunganeng.com/bids	\$0.00

Pre-bid Conference

A pre-bid conference for the Project will be held on April 22, 2022 @ 10:00 am at the Columbia City Hall, 201 Second Street, Columbia, MS 39429. Attendance at the pre-bid conference is encouraged but not required.

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

American Iron and Steel

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

The following waivers apply to this Contract:

De Minimis,

Minor Components,

Pig iron and direct reduced iron
